Direct messages › with Fuck u craptieno

When did this all start?

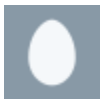

50m

A year and a half ago. I was harassing bill talley to get him off twitter. I am a survivor and hate them. I was hacked and it went from

Delete this direct message

49m

My life became an open book. Now everyone knows who I am. They harassed me contacted my estranged husband even.

47m

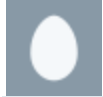

So Political_Bill is Talley?

You are a survivor of Bill Talley? Or just a survivor of molestation?

46m

Priest put a wordpress page and Phil klein released a tape of me when I was spiralling out of control with an illness I have.

Captien o put up a just do it toward me wanting me to kill myself because he hates me for some reason and I don't know why!

45m

Ah, OK. That explains the Phil Klein comments.

44m

I was a victim of a pedophile in my childhood. It literally has destroyed my life and now my marriage. So ya I hate Pedos

43m

This is just a suggestion. Perhaps if you start a new account that doesn't reveal any clues of your IRL name, and direct your tweets at

everyone but Capt and Priest, I have a feeling they will forget about you.

42m

Bill talley should never been allowed on twitter ever. But twitter refuses to change their policy as Facebook did.

42m

I can totally understand that. I hate them too. And I'm sorry to learn of all the pain and damage it has caused you.

41m

I think its because the nature of the way twitter works it would very difficult for them to continuously policing each account that a talley

would open.

40m

Whatever they will forget. But I don't. Phil will pay a price and so will they. They know the truth. Spying through my webcam even. Scum

39m

So did Capt and Priest first attack you a year and a half ago? And is that before everyone knew that Talley is a pedo?

I don't think they did that webcam thing. That would be illegal and knowing what I know about them, they do not engage in that activity.

37m

I will never from this point on let anyone fuck with me and will go to any length to even the score. I am not even started with them.

37m

And were you equally attacking Trina Cuppett at the time?

37m

I was attacking bt and one night I got visitors in my computer no joke. Totally the truth. I have a fair idea of the facts vs the bs.

36m

I would respectfully suggest that you consider letting it go and just not contact them. I've noticed Capt has blocked you on both accounts.

What proof do you have that someone compromised your computer?

Also, I can assure you it was not Capt or Priest. But there were other people involved in that Talley/Cuppett madness that would have

34m

Captien refuses to acknowledge me. That is ok. I know how to get to them. I will and they are going down. Capo is trash. Priest is just cray

34m

compromised your pc and made it look like someone else.

33m

Listen I know what is happening here. I don't need to come out. I have some proof. I have a friend who is genius who has helped quietly.

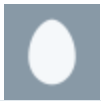

32m

I don't know who you are, but I do know that you will not get to them. And I promise you that they are not the ones who hacked your

computer.

32m

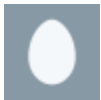

Phil Klein has and will have a problem as long as he and I are alive. I don't forgive

32m

OK. As someone who knows these people, I'm advising you that you have mistakenly blamed them.

31m

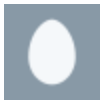

I will get to one of them. The rest can gf themselves. Let them die miserable and cowardly.

30m

How did you ever come in contact with Phil Klein int he first place?

30m

When I am done with the ones I know they will not forget me

30m

OK, but you understand that Priest and Capt HELP pedo and stalker victims, right?

29m

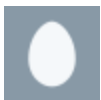

Listen whatever. They know so much about me. You are a liar. Truth truth is what is important here. I have photos and other evidence

28m

I seriously don't know why priest and cap are even on twitter. I am not anymore, but whatever the storm is coming they just don't know yet

26m

Priest is a complete pos. capo thinks he is sooo funny. He is an idiot. Voice changer. Haha coward. I am not a coward. So I don't care

25m

OK. So be it. It's just they are very tied into law enforcement, so I think you may find yourself hitting some roadblocks and possibly

25m

They were involved and I stand by all my statements

25m

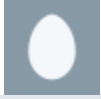

getting yourself into a world of trouble. I'm just trying to share with you what I know and save you additional problems.

OK. But you didn't answer me about Trina Cuppett and Phil Klein. Were you also attacking Trina? And how did you ever get on Klein's radar?

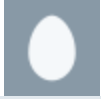

24m

Listen I have my escape already. It awaits in a bottle and I will follow through with what is planned. They should be worried

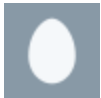

I know I won't get to capo but I can get to some of them.

23m

I do not know Trina at all never spoke to her? Phil klein I can't talk about other to say he is a fat loud mouthed dickhead

21m

I hate capo and James and priest whoever is behind those accounts. They are trash. My computer was and is compromised I know that

20m

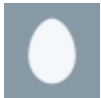

U can post these Dms as I know this is a trap. I stand by my statements as fact. Capo is just a fucking generic loser. He is unstable

18m

Well, I hate to hear that you have so much lingering anger towards people that again I can assure you didn't do what you are blaming them

17m

Tell them I do not care nor do I fear u. I just don't give a fuck. Scumbags

17m

for.

17m

No trap. Just trying to figure out why my friends are being attacked maliciously.

16m

Priest was going to go after my husband and brother to silence me. Fuck them. I am still beyond furious.

16m

Trina was Bill Talley's number one ally. Also, why did you single out Bill Talley?

Well, they just directed me toward some reasons why they were trying to find someone who could explain your anger. I have to say,

I think it was a reasonable response based on what I'm reading here.

14m

I hate Pede's I do not know Trina or care about her. I read the case about talley and it infuriated me. Viewing images of 3 year olds

14m

I don't think Priest was "going after" your ex-husband. I think he was trying to find him in order to understand what it is ailing you.

13m

Being raped. Brought back some bad memories. Actually I hope someone kills the fucker.

13m

Well, Trina was protecting him for several months until the heat got too hot for her. Then she basically left Twitter.

12m

Please understand that Priest, Capt and others around us actually and effectively go after people like Talley.

11m

I do not answer to my ex. He abandoned me because he can't handle my illness. I don't blame him. But he was abusive and always cheating

11m

Also, why can't you discuss Klein?

10m

Yes, I am very ill. But that has nothing to do with what happened to me. I am angry still and cannot forget

If Trina was protecting talley she is scum. Simple.

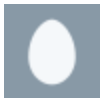

9m

I'm not saying you answer to your ex, only that I think they were seeking someone who could explain what is driving your anger. You have

helped shed some light on that here today.

9m

My ex leads his own life. Lives with someone already and can't wait to have me long gone. I guarantee u he would never talk to them

8m

OK, so, if you acknowledge you are ill, that is good. it means you can recognize the illness.

All I am saying is, do not let the illness control you and drive you out of things that could have legal consequences.

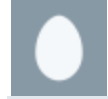

7m

Klein is an asshole. He released that recording to humiliate me, but I don't humiliate well so he failed. Then James posted it on bullyville

7m

I don't care anymore what the fbi did was wrong. Klein to me is done.

I do not accept the us gov. Following me and interfering with my life.

4m

Wait... what did the FBI do? Why were you even calling Klein?

4m

My illness is not controllable. My life is over but those who have hurt me will hurt too. I have to go out now. I got shit to do as u know

3m

The fbi? Lots but I have to go out sorry I have shit to do as I am moving soon.

2m

OK. Take care of yourself.
